## **SQUALL STRIKES** STOCK MARKET

Unexpected Flurry Causes Complete Reversal of Form of Early Hours.

CALL MONEY GROWS FIRMER

Southern Pacific One of First Sccurities to Show Marked Weakness.

NEW YORK, October 16 .- There were a number of quick transformations in the stock market to-day, which proved number of quick transformations in the stock market to-day, which proved exceedingly unsettling to sentiment. The squall which struck the market about 2 o'clock represented a complete reversal of the form of the first hour when there was a general feeling or relief and growing conndence that the market had righted itself and placed most of its troubles behind it. It was believed that some of the stocks which were bought yesterday for support of prices were being resold to the shorts. London turned buyer here, and this helped to lower the foreign exchange rate. There were also some acceptances reported of American finance bills by London which was a source of relief to the local money market. Call money was firmer in tone, however, and loaned at five per cent. partly in connection with the flurry in the stock market. Liquidation of collateral in loans played a part in the weakness there. Southern Pacific was among the railroads stocks to break way from the early upward tendency, and the reports that proof of rebating had been obtained against the company accounted for its weakness. The weakness of the copper stocks was aggravated by the assurance felt that the dividend on Amalgamated Copper will he cut at the meeting to-morrow.

The late rally in the market was accompanied by reports that arrangements had been made to tide over the froubles of the group of capitalists, whose affairs had been made to tide over the cruilar operations in the curb market.

[Special to The Times-Dispatch.]

WAKEFIELD, VA., October 16.—The Young Women's Christian Temperance Union, of this place, held a very enjoyable meeting last Sunday night at the Christian Church. The object of the meeting was to hear reports from delegates recently sent to the State convention held at Harrisonburg, Va. However, the best feature of the meeting, which had been kept a profound secret from the members of the union, was the presentation of banner al-recent convention to the Wakefiled Union for largest gain in membership for past year.

Mr. Boothe, who has been quite sick for past week, is much improved.

Mr. E. A. Hatch, of this place, who conducts a large saw-mill here, had the misfortune to lose two of his finest mules last Saturday. A tree failing on them, killing both instantly. PUT IN JIM CROW CAR.

lines shows improvement this week. Especially is this true of produce and provisions, and in these lines prices show an upward tendency. Apples and pears are being marketed in large quantities, and for these prices are satisfactory. In Southern Virginia, and North Carolina sales of loose to-bacco continue in large amounts, and prices are high for the better grades. In Northern Virginia the crop has about been harvested. The corn crop is an average one, and continual favorable reports regarding the cotton crop are being received. Recent cod weather has given tone to retail trade, and collections show slight improvement. An active demand for money continues,

There is only one congressional contest on, and that is in the Eighth District, for a successor to the late John F. Rixey, of Culpeper.
